The small-pox is extending to nearly all the smaller cities and towns in Canada.
The Miami University, at Oxford, has been reopened, after having been closed for twelve years.
JOHN SHERMAN's one vote destroyed the Wool Tariff of 1867. Let this fact never be forgotten.
JOHN SHERMAN's stories about "out-rages in the South" exist only in John Sherman's fertile imagination.
JOHN SHERMAN has failed to explain how he made a million of dollars out of a salary of \$5,000 a year.

Why don't the Republicans bring Jim Blaine to Ohio to hold up the other end of John Sherman's bloody shirt?

THERE was a fierce contest between the high and the low license men in Wisconsin, but the latter came off victorious.

JOHN SHERMAN's bloody-shirt war will soon be over. In less than three weeks we will have peace in the country once more.

SAMUEL J. TILDEN has contributed \$250 to the New York Grant Monument Fund. Mr. Hayes will probably contribute a chicken.

A FAITH cure is announced from Lancaster, Pa., and the belief is denounced by the German Baptist Conference as a baneful superstition.

A VOTE for Tom Olcott for Representative is a vote for John Sherman, (who destroyed the Wool Tariff of 1867,) for United States Senator.

OVER a million of dollars have been spent in tunnelling the Hudson River at New York, but the work has been suspended indefinitely.

THE Democrats of Cuyahoga county have nominated an intelligent colored man for Representative. What has John Sherman to say now?

THERE was a communist riot in Paris on Sunday, which the police quelled with difficulty. Twelve persons were wounded with pistol shots.

THE Chicago Herald says: All this controversy about the youngest soldier in the war is useless. John Sherman is the man. He has just enlisted.

Gov. HOADLY addressed an audience of five thousand people at Canton on last Thursday. He gave bloody-shirt Sherman another terrible raking.

AME HARRIS has learned to his sorrow the value of Republican promises. The old Town Ring will never allow him to be nominated for Representative.

THE elections in the South are just as fair and peaceable as the elections in the North. For bull-dozing, bribery and repeating, the North takes the lead.

COL. GOS. WARD NICHOLS, President of the Cincinnati College of Music, died last week. Mr. Peter Rudolph Noff has been elected to fill his place.

THE report that Mr. R. B. Hayes was about to sell his chicken ranch, and turn over the proceeds to ex-President Tilden, is doubtless without foundation.

It is singular that Lot Wright did not use one of the "bull-dog" pistols with which he armed his fight deputies, when he assaulted Gen. Durbin Ward.

SETTING BULLS is no fool. He said to an interviewer that the pale faces wanted the earth, the trees and the sky. He might have added that some even want office.

THE Cincinnati Commercial Gazette is still hammering away at Rev. Dr. Leonard with unrelenting force, but as yet it has not driven him from the track.

THE Canadian authorities have agreed to permit the question of the constitutionality of Riel's case to go before Privy Council of England for final action.

The several gas wells has been struck at Findlay. It is a gas well—girdling the rate of thirteen hundred thousand feet per day—probably the largest in the world.

The Cleveland Rolling Mill strike is at an end. The iron-workers have accepted a reduction in their wages and have resumed work, after eleven weeks of idleness.

If the Republicans keep on telling that story about Dr. Leonard's "sale and feast," and his "drinking on the sly," he will get half of the Republican vote in the State.

A VOTE for John S. Braddock for Representative is a vote for Allen G. Thurman, or some other equally pure and incorruptible Democrat, for United States Senator.

We see it stated that the Prohibitionists have made a poll of the State, which gives them 38,000 votes. This is considerably less than some of their former estimates.

JUDG. GEDDES has been doing grand work for the Democracy during the present campaign. He is an effective speaker, and the people are always glad to hear him.

ALEX. O'MYERS is telling the story that the book ring is going to spend \$15,000 of its money in Franklin county. This is the cutest electioneering dodge of the year.

DORMAN B. EATON, member of the Civil Service commission, has sent in his resignation. They are better all resign and then abolish the office. It is a hump of the first water.

The Zaneville Signal insists that it is no more wicked for a Methodist Minister to run for Governor on the Prohibition ticket, than it was for the ministers of the late Methodist Conference at Boreas to try to punish Leonard in the interests of the Republican party.

TO THE VOTERS OF KNOX COUNTY.

This campaign, so far as the Republicans are concerned, is run exclusively in the interest of John Sherman, who is moving heaven and earth to be returned to the United States Senate. Why should Mr. Sherman be sent back to the Senate? He has wanted and wickedly betrayed the farmers and the wool-growers of the State by voting for the repeal of the wool tariff of 1867, whereby at least one million and a half of dollars are taken each year from the pockets of the wool-growers of Ohio to enrich the wool-manufacturers of New England. Sherman has legislated for the manufacturers against the wool-growers. He has served New England and not Ohio. His single vote would have prevented any change in the tariff on wool; but he did not choose to exercise it in the interest of his constituents. For this he was condemned and repudiated by the unanimous voice of the wool-growers of Ohio, none of whom were more emphatic in denouncing his great wrong than Hon. Columbus Delano. To be sure, Sherman undertook to explain away his treachery, and raise a smoke, by assailing the Democrats in Congress, and howling about the South. But this did not wipe out his shameful record, which will forever stand against him as long as the pages of Congressional history are preserved. John Sherman is now before the people, asking them to again send him to the Senate, and is having candidates nominated for the Legislature pledged to vote for him. One of these men is Thomas O'Leary, usually known as "Boodle Tom," who hopes, with Sherman's money, to buy his way into the Ohio Legislature. The people of Knox county have had enough of John Sherman and Tom O'Leary. The result of the second Tuesday of October will fully demonstrate. Vote for honest John S. Braddock, and thus rebuke the man who betrayed the wool-growers of Ohio.

The Cuyahoga Democracy Nominates a Strong Ticket.

The Democracy of Cuyahoga county have nominated a very strong ticket, composed of honest, able and influential citizens, representing nearly every profession and industry in the city—men whom the office sought, and who are not out for office. Most of the nominations were made by acclamation. The following is the ticket in full: For Senators, George P. Marshall, Charles Strever, Thomas Churchman, Jacob Strohm, Thomas Churchman, W. C. Pollner, William Dorsey, Madison Tilly, John D. Norton, Common Pleas Judges, E. J. Blandin, Virgil P. Kline, George S. Sanford, James E. Elch, John D. Norton, W. C. Pollner, County Recorder, C. C. Shellen-trager, Coroner, Dr. Herman Beck; County Commissioner, Mark McGorry; and Justices of the Peace, F. H. Biermann, Isaac L. Gleason.

The following among other resolutions was adopted:

Resolved, That we denounce as unwelcome, un-American and unpatriotic the attempt of John Sherman and the Republican party to revive the hatred and bitterness of the late war.

ALL our reports from the great centres of trade go to show that the business revival is coming on slowly but surely. "It is visible on every side," says the Philadelphia Times. "It is no speculative boom whose ebbs is as sudden as its flow. It is not in any degree the effect of combination for the temporary advance of values. It is not the birth of Third street or of Wall street. It is the natural, logical returning tide of business prosperity that has been the result of the prolonged wealth, the enforced frugality and the general sobriety of the country."

GEN. NOBLEY, Republican Congressman from Pittsburgh, takes a sensible view of civil service. He says: "I do not think that the Republican party expects Mr. Cleveland to keep their men in office. It will make no difference when they get in—the Democrats will all have to go. Anybody who labors under the impression that the Democratic party worked for twenty-five years to get control of the Government simply to allow the machinery to remain in the hands of their opponents is a fit subject for an asylum and should be taken care of."

GEN. DURBIN WARD, in a speech delivered at Xenia, last Thursday, denounced Lot Wright's frauds in Cincinnati last October. The next day the gentlemen met on the cars, and after some conversation about the matter, Wright struck Ward a violent blow on the face. The blow was returned, and the attack of Wright was brutal and cowardly, from the fact that Gen. Ward is an old man and has a lifetime arm at his side, which, since the war, he cannot use in self-defense.

When the Republicans speak about this or that Democrat being a Free Trader, it is merely for the purpose of drawing attention from the fact that their leader and candidate for re-election to the Senate, John Sherman, voted to destroy the Wool Tariff of 1867, whereby the farmers of Ohio were robbed to pay money in the pockets of the wool-manufacturers of New England. Vote for no man for the Legislature who will vote for John Sherman for United States Senator.

Is the Dakota Constitutional Convention, Sept. 15, resolutions were introduced and referred to proper committees as follows: "That the name of the new State be Dakota, and that education and attendance at schools be made compulsory between the ages of twelve and sixteen. A committee of five was appointed to draft a memorial to Congress asking for the admission of Dakota if the constitution be ratified by the people.

JOHN A. BINGHAM, who has been in Japan for nearly a quarter of a century, imagines, like old Rip Van Winkle, that things are just as they were before his long sleep, or absence. He now comes to the front and declares that Mrs. Surratt helped to murder President Lincoln, and deserved death for back to the Senate from Ohio. John Sherman, the bloody-shirt hound, is crawling on the Democratic platform in view of securing German votes.

BILLY MAHONE, the Rebel Brigadier, the repudiator of honest debts, and bold bad man generally, wants to go back to the Senate from Virginia; and John Sherman, the bloody-shirt hound, sectional agitator, and betrayer of the farmers and wool-growers, wants to go back to the Senate from Ohio. They shall vote against a man who has sold out and better class of men in the Senate, and will sweep out Mahone and Sherman.

A SCRIP is about to be brought against Geo. B. Tilden, ex-Governor of New York, to recover \$20,000 said to have been squandered by him in his department. What good will it do, to have the money paid back to him, if he will never be recovered.

THE ROSS COUNTY DEMOCRACY

has an enthusiastic Convention at Chillicothe, and nominated an excellent ticket, as follows: Representative, Captain Nat Potter; Treasurer, Henry Keim, Clerk Samuel J. Brigger; Recorder, Vallandigham Ryan; Surveyor, George W. Dawkins; County Auditor, George W. James; Infirmary Director, long term, Alex. Schultz; short term, Dr. James D. Miller.

WHILE the Rev. Dr. Leonard was speaking to a large audience at Fostoria last week, he was interrupted by Charles Foster, who had just contradicted the speaker. This gave rise to a pretty warm war of words, in which Foster was completely used up. It was a pretty triumph for Dr. Leonard. Foster made a feeble attempt to reply to Leonard on Saturday night.

In his speeches Governor Hoadly is tearing John Sherman all to pieces, and the Republicans are becoming demoralized. Their champion, who is making superhuman efforts to get back into the Senate, to again betray the farmers of Ohio, will be, and ought to be, beaten. He represents New England and not Ohio. Sherman must go. Vote for John S. Braddock.

AFTER October 1st the new Marriage Law in Pennsylvania will compel the answering under oath of no less than nineteen searching questions covering almost every conceivable contingency affecting the matrimonially disposed couple. It is surmised that there may be some sticking at and possibly perjury over question 5, which reads: "Age of the Woman?"

A story comes from New York that Murat Halstead and Johnny McLean have met, made peace, and "pooled their issues"—Halstead agreeing that McLean shall be sent to the U. S. Senate, and McLean consenting that Halstead shall go to Congress. Perhaps some fool may believe this story, but you can't stuff it down the throats of old sailors.

This gold brick swindle was successfully practiced on a prominent Tiffin doctor last week. He was induced to buy a lump of brass for \$1,000, which was represented as solid gold, worth \$5,000, said to have been stolen by a "cow-boy" from a stage passenger on the plains.

He not only lost his money, but also his willingness to purchase stolen property.

MR. BACON, a brother-in-law of President Cleveland, has been appointed Superintendent of the Toledo Custom House. The President did not wish to appoint Mr. Bacon or any other relative to office, but the pressure was too strong from men of all parties, and all the other candidates united in declaring that Mr. Bacon was the best man.

BARNUM's big elephant Jumbo, which cost \$10,000, ostensibly refused to get off the railroad track at St. Thomas, Canada, last week, and was killed by the locomotive. Jumbo has been dissected. His skin will be stuffed and presented to the Tufts College of Massachusetts. The skeleton will go to the National Museum at Washington.

FARMERS, remember, that John Sherman, at the dictation of the nabob wool-manufacturers of New England, voted to repeal the Wool Tariff of 1867, whereby the wool-growers of Ohio lost millions of dollars. If you want to keep John Sherman out of the United States Senate, vote for John S. Braddock for Representative.

THE New York Sun, which betrayed the Democracy last year, and supported all political quack, Ben Butler now announces that it is going to put in the Democratic traces hereafter. Too late. The Sun's days of usefulness are numbered. The World is the paper the Democracy read. It is sound and reliable.

REV. R. G. WALLACE, pastor of the United Presbyterian Church at Bellaire, announced from his pulpit on Sunday that he had cut loose from the Republican party, and would vote the Prohibition ticket. He is followed in this step by several members of his church, all of whom are Republicans.

HERE is a center shot at Sherman from the Uta Observer: It is stated that in the eleven States which secured Mr. Cleveland had about 1,040,000 votes and Mr. Blaine 772,000 votes in the last election. It is very strange that 772,000 able-bodied citizens should have escaped the Democratic bugle.

GEORGE L. CONVERSE, of Columbus, has a sour stomach, and refuses to go on the stump for the Democracy this year. He claims that he was promised the nomination for Governor, and didn't get it. The man or men who made the promise had no power to deliver the goods—that was the trouble.

At Endicott City, Ind., a band of masked colored men forcibly took a negro prisoner out of the jail and hanged him on a tree. The man was charged with a heinous crime. Mr. Sherman, remember, this didn't take place in the South, and no white men were concerned in it.

THE Kenton Democrat pertinently remarks: "Let us not rob our Republican friends of their faithful and bloody shirt. It is all they have left out of a once princely fortune, and they are entitled to it on the same principle that a broken merchant is entitled to a home-stead."

ASA BUSHNELL, Chairman of the Republican Executive Committee, has issued a call upon the faithful for boodle. He makes a special appeal to the office-holders to shell out \$100 each, to be used against the party that suffers these fellows to suck at the public teat.

The cholera is spreading in Paris, owing to the late hot weather. In Madrid and throughout Spain, nearly a thousand new cases and about 400 deaths are reported daily. In Palermo, Italy, there were 18 deaths and 36 new cases in a single day.

JOHN SHERMAN is trying to provoke another civil war, but, mark ye, if such war ever takes place, (which Heaven forbid) John Sherman will be careful to keep away from danger, and make all the money he can out of the calamities of his country.

JOHN SHERMAN has a great deal to say about colored representation in the South; but he never mentions the fact that in the little Republican State of Rhode Island less than 10,000 voters have a vote against an amendment to Congress asking for the admission of 30,000 of Ohio.

JOHN SHERMAN in his speeches never alludes to the fact that the Republican party in Virginia is made up of ex- Rebels and Republicanists, and that their candidate for Governor is a son of George Henry A. Wise, who hung old John Brown.
